FRONT OF HOUSE & MONITORS

The band does not travel with a sound engineer. An English speaking FOH house engineer will be appreciated.

Please make sure the PA and stage are set-up as on rider upon the band's arrival. We will need a mixing desk with at least 24 in / 8 Aux, 5 of which pre-fader for the monitor mixes.

Please provide 6 identical minimum 12" monitors of which 2 linked for the lead vocalist/djembe player.

BACKLINE

Please provide backline as in the following list. If any changes are to be made in these demands, please contact the Tour Manager.

1 Vox AC 30 (Rhythm Guitare)
1 Fender Twin Reverb or Fender Deville (Lead Guitar)
1 Bass Amp : Ampeg SVT 3 + 4x10 HP
1 Table for Calabash (50 cm x 50cm, height : 1m)
3 Guitar Stands
4 jack to jack cables
1 Hi-Hat

The band travels with Djembe, Cajon, Chimes, Guitars and Bass Guitar.
